## Got Oracle? Get the Book!

### ***Solution Beacon Foundation Is Proud to Announce the Latest Release in a Series of Books 'Installing, Upgrading and Maintaining Oracle E-Business Suite Applications Release 11.5.10+'***

DALLAS--(BUSINESS WIRE)--*Installing, Upgrading and Maintaining Oracle E-Business Suite Applications Release 11.5.10+ (or Teaching an Old Dog New Tricks-Release 11i Care and Feeding)*, will help you stay ahead of the competition and keep you up to date on the latest Release 11i.

*"Never has a single Oracle Applications release introduced so many new products, technology and tools with as many new features as is the case with Oracle's E-Business Suite Release 11i. This book describes how to administer the Oracle E-Business Suite Release 11i from a technical perspective."*

Solution Beacon Solution Architects have co-authored the book with Barb Matthews of OnCallDBA.com to create an invaluable document and resource guide for Release 11i. Each chapter is filled with useful information that focuses on the latest tools and technologies available to report data contained within the E-Business Suite. Specific topics include: XML Publisher, EPB and DBI to provide an enhanced, full spectrum environment for extracting, compiling and presenting 11i data. In addition to this invaluable information, proceeds from the book will benefit the Solution Beacon Foundation.

On top of the seemingly endless hours of volunteered time and steadfast monetary donations, the Solution Beacon Consultants that authored the book are donating 100% of their proceeds of the *Release 11i* books to the Solution Beacon Foundation. The book may be purchased on-line through the Solution Beacon website for only \$69.99.
