FOR IMMEDIATE RELEASE

BMC SOFTWARE PARTNERS WITH SOLUTION BEACON
FOR RELEASE 12 RE-IMPLEMENTATION

DALLAS, TX March 31, 2007- When BMC Software made the decision to re-implement their Oracle Applications, they began the search for a consulting partner that has a thorough understanding of Release 12, its architecture, and key parameters for a successful implementation. Their search began and ended with Solution Beacon LLC.

BMC Software, Inc (NYSE: BMC), is a leading provider of enterprise management solutions that empower companies to manage IT from a business perspective. Delivering Business Service Management, BMC Software solutions span enterprise systems, applications, databases and service management. Founded in 1980, BMC Software has offices worldwide and posted fiscal 2006 revenues of more than \$1.49 billion.

The project team at BMC had long been acquainted with Solution Beacon through industry events and Oracle User Groups. Our resource consultants brought their Release 12 expertise to the table which leveraged the Solution Beacon credibility and capabilities, as they discussed the project ahead. This engagement has the potential to keep consultants on site with the client for the next 12 months with the opportunity to lead to other Solution Beacon elite-level resources assisting BMC over the 2-3 year life of the project.
