## Solution Beacon News Release

### **Solution Beacon Down Under With Australia OUG and OAUG**

**SEATTLE, WA September 30, 2008** — Due to Solution Beacon's reputation in the user group community, knowledgeable presentations at COLLABORATE 08 and the *Road to the Rockies<sup>sm</sup>* Events, Solution Beacon was asked to present keynote sessions and presentations at AUSOUG's National Conference Series 2008 – Oracle with 20:20 Foresight in Perth and Gold Coast.

The National Conference is presented by AUSOUG in conjunction with OAUG and industry partners as a follow-up to OpenWorld in San Francisco. The conference brings the latest and greatest from OpenWorld to Australia. Over 850 attendees are expected from throughout the Asia-Pacific.

Alyssa Johnson of Solution Beacon has been asked to give the keynote sessions for both event locations by giving the presentation 'Fusion: The News from OpenWorld 2008'. Alyssa will also be presenting an all day post-conference workshop at both events on Release 12 topics, including Administering Release 12 and Focusing on Release 12 Financials.

National Conference Series 2008 – Oracle with 20:20 Foresight  
Presenter and Keynote Speaker: Alyssa Johnson of Solution Beacon  
Perth, October 6-7, 2008  
Gold Coast, October 13-14, 2008

#### **About the Australian Oracle User Group (AUSOUG)**

The Australian Oracle User Group (AUSOUG), an independent, not-for-profit user group, represents a collective of 2000+ IT industry professionals focused on the technologies, applications, strategies and business of Oracle and its products, along with associated third party vendors. Our members enjoy a comprehensive range of exclusive information, services and networking opportunities within an independent professional body which is part of an international network. In an industry where the practitioner is consistently inundated with (often biased) information, products and services, AUSOUG is widely recognised as a key objective provider of opportunities to its members.

#### **About Oracle Applications Users Group (OAUG®)**

Founded in 1990, the Oracle Applications Users Group (OAUG) is the world's largest user knowledgebase for Oracle Applications users. The organization serves as an advocate to Oracle Corp. for companies worldwide, including more than 35 percent of the companies on the Fortune 100 list. The OAUG also serves users of more than 65 Oracle Applications products including Fusion, E-Business Suite, PeopleSoft, Agile, Hyperion, Oracle Retail, Oracle Communications, Siebel and others. The OAUG provides users with education, networking and support via a wide range of activities and forums including conferences, publications, special interest groups, online communities and the Knowledge Factory™, a community-driven knowledge resource for Oracle Applications users. For more information about OAUG, visit the Web site at [www.oaug.org](http://www.oaug.org).
