The screenshot shows the OAUG Knowledge Factory website interface. At the top, there is a navigation bar with links for 'home', 'blogs', 'conference papers', and 'profiles'. A search bar is located in the top right corner. The main content area features a 'Featured Post' titled 'Update: SIG Meetings at OOW 08' by Aaronica Merritt, dated May 7, 2008. The post text states that OAUG SIGs will be asked to host meetings again this year at OOW 08 and requests that users expect communication regarding this shortly. It also provides contact information for Aaronica Merritt (a.merritt@oaug.com) and mentions that updated information has been sent out. A 'Read more' link is provided below the post. To the left of the main content, there is a 'CATEGORIES' sidebar with a list of topics including Agile, Business Processes, CRM On-Demand, JD Edwards, Demantra, E-Business Suite, Fusion, GRC, Hyperion, PeopleSoft Enterprise, Siebel On-Premise, Feedback, Tracks, Conferences, Technology, and Special Interest Groups (SIGs). Below the categories is a 'TAG CLOUD' with various tags like '11i', 'ala', 'application', 'integration', 'architecture', 'bpel', 'callforpapers', 'collaborate', 'collaborate09', 'cubequery', 'ebs', 'essbase', 'feedback', 'financials', 'fusion', 'hfm', 'hyperion', and 'jde'. On the right side of the main content area, there is a 'SUBMIT A QUICKPOST!' form with fields for 'Enter Title...', 'Attachment:', and a 'submit' button. Below the form, there is a link to 'Advanced Post'.
