FOR IMMEDIATE RELEASE

SOLUTION BEACON AWARDED REMOTE SERVICES CONTRACT WITH MIDMARK CORPORATION

DALLAS, TX October 1, 2007 — When Midmark Corporation was faced with the loss of critical IT Staff, Nick Timmerman, Technical Support Manager at Midmark immediately turned to Solution Beacon to help provide high-quality, 24 x 7 support to his business-user clients. The Solution Beacon Remote Services team responded quickly to understand Midmark's requirements and presented a comprehensive Remote Services Plan to meet those requirements.

Midmark was so impressed after speaking with the Remote Services team, that they ended their search for a partner and within one week had contracted with Solution Beacon.

We welcome Midmark Corporation to the Solution Beacon Remote Services family.

About Midmark Corporation

Headquartered out of Versailles, Ohio, Midmark Corporation also has subsidiaries in Torrance, California; Orchard Park, New York; and Ernee, France. Midmark is committed to developing quality products, services and technologies that allow healthcare providers to increase effectiveness in their practices. With a full line of high-quality products for the medical, dental, digital diagnostic and veterinary markets, Midmark's trusted equipment helps providers deliver more efficient patient care.
