

Business Wire - Press Release

Solution Beacon, LLC Takes Another Leap to Being the Industry Leader for Oracle E-Business Suite Applications

05.29.07, 11:22 AM ET

Solution Beacon, LLC is proud to announce its induction as a Certified Advantage Partner in the Oracle PartnerNetwork program. "We have put forth a tremendous amount of effort to showcase our talents to Oracle. We are honored to be inducted into this elite partnership by consistently demonstrating superior product knowledge, technical expertise, and a commitment to Oracle products," said John Nicholson, Director of Marketing & Global Business Development with Solution Beacon.

As a Certified Advantage Partner, Solution Beacon has consistently demonstrated their commitment to Oracle through an intense certification of consultants on the E-Business Suite Applications; introducing clients to the innovative solutions of Oracle Applications, and developing elite consultants with the technical expertise to solve clientele problems by utilizing the E-Business applications. Oracle recognizes Solution Beacon as having the capability to deliver Oracle solutions at the highest levels.

"It is truly a win-win scenario for both Solution Beacon and Oracle. We are looking forward to the benefits and recognition that come with the privilege of being a Certified Advantage Partner. We have met and exceeded the rigorous guidelines set by Oracle for revenue targets and the certification of consultants. We have achieved the highest level of membership available within the Oracle community, and it is quite an honor," said Alicia Hoekstra, CEO of Solution Beacon.

About the Oracle PartnerNetwork

Oracle PartnerNetwork is a global business network of more than 19,000 companies who deliver innovative software solutions based on Oracle software. Through access to Oracle's premier products, education, technical services, marketing and sales support, the Oracle PartnerNetwork program provides partners with the resources they need to be successful in today's global economy. Partners who are able to demonstrate superior product knowledge, technical expertise and a commitment to doing business with Oracle qualify for the Oracle Certified Partner levels. <http://oraclepartnernetwork.oracle.com>
